

# CHURCH SAFETY SEMINAR

## Tuesday March 13th

9:30 AM — 12:00 Noon

ATTENDANCE IS

# FREE

Breaking down the barriers that keep churches from starting a safety program and making available the tools churches need to get a comprehensive safety program started

### Guest Speaker will be ...

**Jimmy Meeks:** Over 30 years in law enforcement, licensed and ordained minister, and accomplished speaker on the subject of church safety. Jimmy is passionate about this subject and having held church safety seminars which have been attended by over 700 churches he knows how to break down the barriers. He has chronicled the events and the lives of the men who stood in the gap at one of the first recorded church shootings which occurred in Dangerfield Texas (where he and his wife were married). Jimmy will present both stories and stats that will simply astound you.
